# SUNMI MIX SERIES Cradle

Best versatility booster for your enterprise tablet.

## Dock, and charge.

Just put the tablet on the cradle to charge it with pogo pins. Convenient and stable.

## Make your tablet even more versatile.

The cradle comes with ports for scanner, cash drawer, secondary display, USB device, network connection and more, making your tablet helpful in more business scenarios.

## A tablet, but also a desktop.

Put the tablet on a fixed or 180° swivable cradle to make it a desktop that fits your business. The swivable one can be fixed at 0° or 180°.

## Easy to fix and use

The device can be easily but securely fixed to the cradle, so that you will always know where to find the device and use it without wobbling.
